

SPEC DATA SHEET

SECTION A - General Product Information

Product Name: AS-IS BRAND Wood Walls

Suppliers:

CANADA

InStone Products

www.instoneproducts.ca

US

Border Products

www.borderproducts.net

Product Description:

Every piece of AS-IS Brand Wood Walls has been carefully handcrafted to capture the look and feel of real barn wood. All wood has been carefully chosen from sustainably harvested sources.

The wood is treated by a unique proprietary process that captures the unique character of reclaimed aged barn wood. All wood is then carefully milled to exact measurements to ensure a precise board for fast and easy installation.

AS-IS is proud to use materials, manufacturing, and packaging that have positive social & environmental impacts. Everything is done in North America, but our positive impact is global. www.as-isbrand.com/trees

Limitations:

AS-IS Brand products do not add to the structural load bearing capacity of the substrate to which it is being applied. All products have been designed for wall and ceiling installation only, and should not be applied anywhere that they will be walked or sat on.

Recommended Finishing Products

The following products are all recommended with AS-IS Brand products. See installation instructions for details on how and when to use.

- Heavy Duty (Polyurethane) Construction Adhesive (DO NOT USE water-based adhesive)
- 1" Air-Powered Nail (Brad nail) if air (pneumatic) nail gun is being used
- 1" Finishing Nail if hammer is being used
- Heavy-Duty 2-Sided tape for a temporary installation

SECTION C – Technical Data

The types of wood used may vary somewhat based on availability of responsibly harvested lumber.

- Wood = pine (or other evergreen – all kiln dried)
- Finish = proprietary aging and distressing combined with paint finish

SECTION D – Installation

Installation Instructions are available at www.as-isbrand.com

SECTION E – Warranty

Warranty information is available at www.as-isbrand.com
